

OBJECTS TO OIL TRUST.

Sir Wheatman Pearson Wants Agents Kept Away.

Washington, Dec. 24.—Sir Wheatman Pearson wants to come back to the United States on a business trip, but he does not want to be followed by agents of the Standard Oil company.

SIR WHEATMAN PEARSON

Sir Wheatman has written the English embassy asking if anything can be done to keep off the oil trust agents. The oil trust says they do not care to follow the titled Englishman, and he can come and go as he pleases. Sir Wheatman has bought large oil interests in this country and is supposed to be fighting the Standard. On his last trip to America he claims that he was followed from one end of the country to the other. He plans, he says, to operate in Texas and California and has nothing but English capital and no stock for sale. He has very large financial interests in Old Mexico.

THEY WANT MISS TAFT.

She Is Called Upon to Take Part in Many Celebrations.

Washington, Dec. 24.—Miss Helen Taft, now that she has made her boy to society, is a mighty busy young woman. She is not only called upon to take part in afternoon teas, receptions and state dinners, but she is in demand for public meetings and celebrations.

MISS HELEN TAFT

Every one seems to want Miss Taft to attend a function of one kind or another. Miss Taft took part in the unveiling of the statue of General Steuben in Washington.

Her work consisted of pulling a string that permitted the draperies to fall.

mission as a line officer in the New York state national guard.

HE IS BACK AGAIN.

Rosenbaum Has Been Deported Once From Here and Twice From Panama.

New York, Dec. 24.—The immigration authorities at Ellis island apparently have today a problem on their hands in disposing of the case of Benjamin Rosenbaum, a former New Yorker, who has been something of a shuttlecock between here and the isthmus of Panama since last July. He went to the isthmus from here in that month, was twice deported by the Panama authorities and once by the United States immigration officials and today is back here again, following his second deportation from Panama.

Rosenbaum's troubles arose through certain charges preferred against him by secret service officials in Panama. The authorities on the isthmus ordered him deported and when he arrived here he was put under bond by the immigration department to await trial. Later the bond was recalled and on December 3 he was deported. He was promptly imprisoned again and deported by the Panama government.

HARRISON TO RUN AGAIN

Wants Job as Mayor of Chicago for Fifth Time.

Chicago, Dec. 24.—Carter H. Harrison, four times mayor of Chicago, wants the job again. Mr. Harrison has announced his candidacy and is making a fight at the Democratic primaries.

CARTER H. HARRISON

The Harrison following declare he will be nominated by the Democratic faction, but the Democratic faction seem to be united on Harrison.

KING GEORGE A SPORT.

He Will Follow in His Father's Footsteps Regarding the Turf.

New York, Dec. 24.—American turfmen will be interested to know that King George of England intends to follow the example of his father, King George V, in his participation in racing. After the death of King Edward, those of his majesty's horses which were in training were run in the name of Lord Derby, but this arrangement will not be continued next summer, and the royal racers will be entered in the king's name and will be run in his majesty's colors.

The latest issue of the English racing calendar, the official journal of the jockey club, contains details of the entries for next season's meetings that have been already entered into on behalf of the king. The engagements relate to the Newmarket, second October, Bath, Bibury club, Don Caster
